

LMR Zoom Norms

- CAMERA ON. It is both helpful to the conversation and comforting to see your faces. If you need to step away, please turn your camera off to let us know you are not at your computer.
- Join the meeting from a quiet space.
- MICROPHONE ON MUTE when you are not speaking. This is to prevent the transmission of background and unintentional noise.
- Use the “Raise Hand” feature in the Participants tab if you would like to ask a question. We will call on raised hands during Q&A.
- Do not multi-task during the meeting. We all will benefit from every participant's undivided attention.
