

PURCHASE A MAGAZINE AD

The annual LMR Magazine recognizes leaders who have created impact in the region, highlights the current Leadership Quest class, and moves the future of our community to center stage.

This Fall publication reaches more than 2,000 leaders — modern, sophisticated change agents and consumers — the perfect audience to create new relationships. Take advantage of this exclusive opportunity to connect with the region’s decision makers and show your organization’s support of our community by placing a sponsorship message in the 2020 LMR Magazine at a fraction of the cost of traditional print advertising options.
