

LQ2023 SEMINAR DAY

December 7, 2022 at Eastern Henrico Recreation Center

OBJECTIVES

- Learn about the trends and current level of evictions in our area.
- Discover the challenges of affordable housing and the needs of different community groups.
- Learn collaborations that exist in regional housing activities and how public input is obtained for housing priorities and projects.
- Understand how design thinking can clarify issues, problems and needs through inquiry and how it can help frame your immersion team experience.
