

## **Reflections on your Leadership Quest Journey...**

### **Looking ahead to your future leadership plan**

Please take some time before our closing session on Wednesday, June 5<sup>th</sup> to reflect on your Leadership Quest experience and prepare some notes on the questions below. We will use these notes during our session to set some short and long-term leadership goals.

**Reflecting on the sessions and discussions we've had this year, what you've learned through your Immersion Experience, and from your classmates' team presentations:**

What do you know now that you didn't know before?

What issues do you now find more important? Are there areas of your research or from sessions you would like to continue to explore?

Have your views changed since you began your Leadership Quest journey? Have you found value in hearing perspectives different from yours?

How have you strengthened your ability to serve as a community leader? What tools or strategies are you looking to apply moving forward?

How can you use your capacity to affect change?
